Chris is an invited speaker at the LONDON IC Expo 8th Sept 2001

"To date I have a 10 times return on my investment. Yes, you read correctly!"
— EA, California, USA

"After attending Chris' free seminar I tested 3 of the indicators on 3 stocks and netted an average of 14% in one month. Take the course, not the gamble." – P.H. Norfolk, UK

"I feel increased confidence about taking the right steps to start investing. Chris really takes you by the hand and has an incredible way of simplifying concepts."
— T.Rathenthiran, Essex, UK

"Great value! I have information and strategies to select a good stock, but the most important thing I learned is when to buy and sell, that is what makes money."
- F.Ostos, Mexico, USA

"The information I got was brilliant, worth every penny."
— G.A, UK
